Sir:

I hereby certify that the above described papers and fees are being deposited with the United States Postal Service "Express Mail Post Office to Addressee" service under 37 CFR 1.10 on November 23, 2004 and addressed to the Commissioner for Patents, P.O. Box 1450, Alexandria, VA 22313-1450.

William H. McNeill

2nd PRELIMINARY AMENDMENT

Please add new claims 61-62, which are copied from U.S. Patent No. 6,652,122, and new claims 63 and 64, for purposes of instituting an interference. Claims 61 and 62 correspond to Claims 1 and 2 of the U.S. Patent No. 6,652,122 and claims 63 and 64 are believed to be patentable and supportable by the specifications of both parties. Additionally, it is believed that original claims 41 and 42 of the instant application provide the basis for broad counts of an interference between the parties.

The additional fees for the added claims, \$212.00, should be charged to Deposit Account No. 15-0685. The Commissioner is authorized to charge any additional fees or to refund any overcharges to the above-mentioned Deposit Account.
